

CPR & AED Certification Course

RESPOND CONFIDENTLY DURING AN EMERGENCY

With more than 350,000 out-of-hospital cardiac arrests occurring in the United States annually, bystanders are the key to increasing survival rates! This course will teach you how to respond to emergencies that happen at work, at home and in your community.

WHAT TO EXPECT

Through lecture, videos and **hands-on practice**, you will be able to respond confidently to emergency situations. Skills and topics include:

- Adult CPR
 - Child* and Infant* CPR
 - Automated External Defibrillator (AED) Use and Safety*
 - Adult and Child Choking
 - Infant* Choking
 - And many more!
- *Optional topic
